

Dear Incoming Residents and Fellows,

Welcome to Virtua! We are excited to have you join us as you begin this next phase of your careers.

At Virtua, we are dedicated to providing outstanding clinical and educational experiences in a nurturing environment for our graduate medical education programs. Our collaboration with Rowan University has added a wealth of educational resources and opportunities that will greatly enrich your training. Together, we aim to offer a comprehensive and robust educational experience to help you achieve both your professional and personal goals under the guidance of dedicated professionals.

Our mission at Virtua is simple: Be well, Get well, Stay well. We are committed to not only treating illnesses but also promoting health and wellness in our patients and the communities that we serve. You will have the opportunity to contribute to this mission and make a lasting impact on the health and well-being of those we care for. As an integral part of our health care team, you will play a vital role in delivering excellent care and ensuring a positive experience for our patients.

We are extremely excited to meet and support you throughout your training. Our team is here to ensure that your experience at Virtua is both professionally rewarding and personally fulfilling. If you have any questions, concerns, or require assistance during your time at Virtua, please do not hesitate to reach out to us.

Once again, welcome you to Virtua. We are honored to have you as part of our team. We are confident that you will flourish here and that your contributions will have a positive impact on the lives of our patients.

Sincerely,

Richard Paluzzi, MD
