

Communications control **at your fingertips!**

Did you know you can set your own preferences for how you receive alerts about your care through Virtua's MyChart?

It's easy to choose what types of information you'd like to get notified about, and you can pick the way you'd like to receive these alerts—whether by email, text, phone, or mail. This way, you're in control of which updates you get and how they reach you. Getting started is simple!

Once logged into to your MyChart account, click on **Menu** and then on **Communications Preferences** under **Account Settings.**

	E Menu 🕜 🕅 Virtua

٦	Linked Apps and Devices
6	Communication Preferences
500	Other Breferences

Under **Details,** select how you want to receive communications for different activities, from appointments, to billing, and more. **You choose!**

Once you are done making your selections, remember to **Save Changes!**

Save changes

Use the toggle/slider to manage your general preferences for email, test, phone, and mail communications.
